## All about the location

Acojeja is a small mountain village located within the municipality of Guía de Isora, in the southwest of Tenerife. The village is situated between the towns of Tejina de Isora and Guía de Isora itself, offering a peaceful rural atmosphere surrounded by nature and scenic views of the island's volcanic landscape. The area is known for its traditional Canarian charm, quiet lifestyle, and agricultural roots. Despite its tranquil setting, Acojeja is well connected—just a 20-minute drive from the coastal town of Adeje and about 35 km from Tenerife South International Airport via the TF1 motorway. Acojeja is ideal for those seeking a retreat from the busier tourist zones, yet wanting to stay within reach of beaches, hiking routes, and cultural experiences. The surrounding area offers excellent opportunities for walking, cycling, and exploring the unique nature of Tenerife's interior. This region is perfect for anyone looking to invest in property in a quiet and authentic part of the island, whether for a holiday home, rental investment, or permanent residence.
