A first impression

Immersed in the quiet hills of Castelgomberto, in a dominant and panoramic position, we offer for sale a prestigious luxury villa with infinity pool, from which to enjoy a breathtaking 360-degree view, ranging from the Po Valley to the entire Dolomite arc, from the peaks of the Lessini Mountains to Mount Grappa. The house, elegantly finished and designed to offer maximum comfort, is surrounded by a large private park, with attention to the smallest details, which guarantees exclusivity and absolute privacy. At the entrance, a refined porch introduces to the large open space that houses the living room, lounge and kitchen, embellished by a refined wood-burning fireplace that harmoniously separates the rooms. The exposed beamed ceiling, with important heights, has allowed the creation of a charming loft above the kitchen, used as a bright and functional study. The sleeping area, slightly elevated, includes three bedrooms, including a splendid master suite with private bathroom and panoramic terrace. Completing the sleeping area are two more bathrooms, one of which is intended for guests, convenient for its proximity to the living area. The basement is a true space for relaxation and conviviality, with a large tavern equipped with a kitchen and fireplace, a wine cellar ideal for wine lovers, a bathroom with shower, a laundry room and the heating plant. From here there is access to the double garage with a spacious work corner, above which a private gymnasium has been created in the attic area. A practical independent external corridor provides direct access to the service rooms. Making the property even more comfortable is the presence of **a convenient internal elevator**, which connects all floors of the villa, ensuring maximum convenience and accessibility. The villa has recently undergone a building intervention that has improved its energy efficiency, bringing it to Class A. Among the modern amenities, numerous security systems and burglar alarm systems ensure peace of mind and total protection. Prestigious solution, where elegance, comfort and nature meet in a perfect balance.
