A first impression

Bright three-room apartment with green view - ready to live in In a reserved and quiet context, but a stone's throw from the lively Milanese nightlife, we offer for sale a modern three-room apartment on the high floor, inserted in an elegant 2008 building with daytime concierge service. The apartment, of about 60 sqm, is in excellent condition and ready to live in. The layout is functional: living room with open kitchen, two bedrooms and two modern bathrooms. Finishes include parquet and porcelain stoneware, for an ideal mix of elegance and practicality. The bright exposure gives a pleasant open view of the park, ensuring privacy, silence and lots of natural light. Independent air conditioning and central heating with meters ensure comfort in every season. Access to the dwelling is twofold: directly from the private street with access to garages and cellars, or on foot through the park, with three reserved entrances. The well-maintained park is ideal for relaxing in the shade of the trees or near the charming fountain. A convenient cellar on the -2 floor completes the property. Possibility of a garage. Perfect as a main residence or as an investment, thanks also to the proximity to the main Milanese universities. Contact us now for more information or to schedule a visit!
