A first impression

Behind Piazza Bra we propose an apartment located on the third and last floor of an elegant building. Spacious living room of which the furnishings define three distinct zones: dining area, sitting area, study area.

Characteristic undulating false ceilings that are not only decorative, but conceal the ducted air conditioning system, a sophisticated lighting system with spotlights, and the sound system with piped speakers.

The kitchen overlooks a balcony.

The apartment offers three bedrooms, each with different features: the master bedroom includes a private bathroom with whirlpool tub and a separate walk-in closet, the second master bedroom also has a walk-in closet, and the third bedroom has ample square footage.

In addition to the master double bedroom's private bathroom, we find a second bathroom with shower, integrated laundry area, a convenient storage room that optimizes space and a third bathroom.

The recently replaced elevator also reaches the basement where the garage is located.

The price also includes the attic on the fourth floor, a cellar in the basement.

Extra covered parking space.
